

Active Professionals Network

Overview

Formed in 2017, RISE, Waupaca Area Active Professional Network, exists to connect active professionals with each other, the rich and diverse professional community, and the county in which we live, work, and play. RISE is a meaningful organization of dedicated, like-minded, professionals in the Waupaca area and beyond; offering professional networking, development, and social events to ambitious active professionals.

Mission

The Rise Network strives to connect like-minded Waupaca Area active professionals by creating a sense of belonging, providing a social outlet and developing a stronger community.

Vision

To enhance the quality of life in the Waupaca area, by creating and retaining a diverse community of ambitious, like-minded active professionals.

What's in it for me?

- Meet new people, make connections
- Give back to the community
- Professional development
- Educate yourself
- Make your mark
- Create and cultivate the future of Waupaca County
- Have fun!
